Sprint 4 Plan
PickUp, Team PickUp,
Sprint completion date: 6/05/2018
Revision number: 1.0
Revision date: 5/22/2018

Goal: Allow users to join teams that they are interested in and allow users to manage a list of friends.

Task Listing:
1. (10 Points) As a player, I want an option to join teams that are looking for extra players so that I can meet new people.
   a. Create an interface to view and search for teams
      i. 20 hours
   b. Remove join button once team is full
      i. 10 hours
   c. Remove join button once the user has joined that team
      i. 10 hours
2. (5 Points) As a player, I want a rain-check system so that I won't have to play in bad weather.
   a. Implement weather api
      i. 20 hours
   b. Display weather information upon request for games.
      i. 10 hours
